

Application for P. Howard & Betsy Massey Graduate Scholarship in International Horticulture
Department of Horticulture
Virginia Polytechnic Institute and State University

The **P. Howard & Betsy Massey Graduate Scholarship in International Horticulture** has been established by Mrs. Elizabeth Bailey Carlson in the name of her close friends, P. Howard Massey, a former member of the Department of Horticulture, and his wife, Betsy. The scholarship program intends to support travel of graduate students in Horticulture presenting at international conferences and/or other forms of internationalization of our Horticulture program. Preference will be given to students presenting their own data as an oral presentation at an international conference or event that is held in another country. The bequest was made in the form of an endowment, interest of which accumulates so that the department Scholarship Awards Committee can occasionally make awards to deserving students who are already enrolled or shall be at the time of the scholarship distribution. We are now soliciting applications for awards to be made to current students on a competitive basis. Please fill out the following application and financial work sheet to be considered for an award. The recipient of the award will be determined by the departmental graduate committee.

PERSONAL DATA

Name _____ Student Number _____
(First) (MI) (Last)

Academic Level ____ M.S. ____ Ph.D.

Years of study in current degree program _____

Expected completion date of your degree _____
